

## Internal/External Job Posting

If you applied to this posting in March 2020, you will be considered and there is no need to re-apply.

**Job Number:** 005682

**Closing Date:** January 5, 2021

Resumes received in our office after the closing date will not be considered.

<b>Position Title:</b>	<b>TECHNICIAN</b>
<b>Salary Band:</b>	T19
<b>Technician Progression</b>	<ul style="list-style-type: none"> <li>▪ Technicians will participate in basic training that will provide an understanding of Alyeska’s technical systems and business processes and what it is like to be a technician on the Trans Alaskan Pipeline (TAPS). After basic training, individuals will be placed into their initial job assignments and begin the technician progression program.</li> <li>▪ Alyeska Pipeline has a formal progression program that allows technicians to advance in pay. Successful participants in the progression program on average can move up 3 technicians pay levels in a little over (1) year. The progression program includes performance objectives and specific developmental goals, all within the established program timeline (which includes milestones and testing for completion). A mentor will also be provided to help guide the individual through the program.</li> </ul>
<b>Type of Employee:</b>	<p>Alyeska Pipeline Service Company is recruiting technicians, with all levels of experience, who are excited about supporting and contributing to the overall reliable, safe, and efficient operation and maintenance of the Trans-Alaska Pipeline System (TAPS) and have a commitment to the following:</p> <ul style="list-style-type: none"> <li>▪ Strong commitment to Alyeska’s safety and open work environment culture and behavioral expectations</li> <li>▪ Strong commitment to Alyeska’s Operational Discipline behavioral expectations</li> <li>▪ Strong commitment to teamwork and collaboration with others</li> </ul>
<b>Work Locations:</b>	<ul style="list-style-type: none"> <li>▪ <b>Pipeline</b> – Point of Departures are Anchorage or Fairbanks. Individuals living away from these locations it will be your responsibility to report to these locations</li> <li>▪ <b>Valdez</b> - Alaska residency is preferred. Individuals living away from Valdez are responsible to report to their work location on time, and to report if required for unscheduled overtime. Valdez Technician positions are considered urban based and costs associated with living in Valdez (housing, food, etc.) are not reimbursed</li> <li>▪ Alyeska technicians may be assigned to multiple locations throughout their career at Alyeska. Work location assignments are based primarily and fundamentally on business need, but also take into consideration employee preferences.</li> <li>▪ Positions are non-exempt, working a field schedule with a 12-hour workday</li> </ul>
<b>Number of Positions:</b>	Fourteen (14) or more
<b>Recruiting Contact:</b>	<p>Tracey L. Mueller, Employee Relations Manager  Alyeska Pipeline Service Company  E-Mail: <a href="mailto:alyeska_jobs@alyeska-pipeline.com">alyeska_jobs@alyeska-pipeline.com</a>  Apply on-line at <a href="http://www.alyeska-pipe.com">www.alyeska-pipe.com</a></p>
<b>Minimum Qualifications:</b>	<p><b>Applicants must meet or exceed these minimum job requirements to apply for this position.</b></p> <ul style="list-style-type: none"> <li>▪ High school diploma or equivalent</li> <li>▪ Minimum of three (3) years of technical work experience in industrial operations and maintenance technical disciplines. Technical industrial education at a college/university or trade school in directly related fields may be substituted for the required experience</li> <li>▪ Good communication skills</li> <li>▪ Electrical Maintenance Technician <b>only</b> – Must possess a valid <b>State of Alaska Certificate of Fitness</b></li> <li>▪ Current valid driver’s license</li> <li>▪ Able to use computer systems and common applications such as Microsoft Office and computerized maintenance systems</li> </ul>
<b>Preferences:</b>	<ul style="list-style-type: none"> <li>▪ Valdez Based Operations &amp; Maintenance Technicians only - <b>Valdez residency is preferred</b></li> <li>▪ Electrical Maintenance Technician only – Prior experience working on medium voltage generation, distribution and electrical systems in an industrial setting</li> <li>▪ VMT Operations Technician only – prior experience operating steam power generation, power distribution, gas handling, wastewater or water treatment system</li> <li>▪ Experience in writing procedures and creating and maintaining records, including maintenance records and work logs</li> <li>▪ Ability to work independently</li> </ul>

Communicate hazards and share lessons learned from past experiences.</p> <p><b><u>Speak Up, Step Up</u></b> Alyeska fully supports the authority of every TAPS worker to speak up, take action, and stop work, regardless of role or responsibility. Participate in developing and implementing solutions.</p>
<b>Pre-Employment Drug Screen Testing</b>	<ul style="list-style-type: none"> <li>▪ Alyeska Pipeline Service Company (APSC) requires pre-employment drug testing utilizing hair test collections for all positions. The preferred collection site is from the head (approximately 1/2 inch of hair length necessary). Head hair testing provides an approximate 90-day window of detection that checks for drug use. In addition, for Department of Transportation covered positions, APSC will also utilize urinalysis testing. Any positive drug test makes you ineligible for APSC employment</li> <li>▪ It is important to note that APSC does not seek or accept any genetic information as part of the hair testing procedure or any other process that could directly or inadvertently provide genetic information (family medical history)</li> </ul>
<b>Employment Verification using E-Verify</b>	<ul style="list-style-type: none"> <li>▪ Federal Law requires all employers to verify identity and employment eligibility of all persons hired to work in the United States. Alyeska Pipeline Service Company participates in E-Verify.</li> <li>▪ E-Verify is an Internet-based system that compares information from an employee's Form I-9, Employment Eligibility Verification, to data from U.S Department of Homeland Security and Social Security Administration records to confirm employment eligibility. <a href="http://www.dhs.gov/e-verify">http://www.dhs.gov/e-verify</a></li> </ul>
<b>TWIC</b>	<ul style="list-style-type: none"> <li>▪ The Alyeska Valdez Marine Terminal (VMT) is a regulated facility, and the employee hired to work on the VMT or to provide emergency support or other approved work for the VMT will be required to have a Transportation Worker Identification Credential (TWIC). For more information about this Federal credential access the Web site listed below. The successful candidate for this job will be notified if a TWIC will be required and will then be responsible for enrolling and obtaining a TWIC prior to their hire date. <a href="http://www.tsa.gov">http://www.tsa.gov</a></li> </ul>
