

ALASKA NATIVE SCHOLARSHIP PROGRAM

Award Cycle Fall 2024/Spring 2025

Alyeska funds scholarships and workforce development opportunities for Alaska Natives by partnering with various statewide organizations that support students pursuing higher education and career advancement opportunities.

This booklet is intended to be a resource by providing information about each partner organization. Visit the links provided to learn more about the different programs available for Alaska Native students. Please contact each partner organization directly to inquire about eligibility and available funding.
